EastCann Blue Lobster is an Indica leaning hybrid bred from parents Apples and Bananas x Eye Candy

The buds are dense with solid orange pistols, light purple hues, with a dark green base. Flush with trichomes, the flavor is driven by blue candy notes, mixed fruit undertones, and a creamy gassy back end.

Packaged in nitrogen-purged, food-grade recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.

Legacy Matters.
